Patents 1 - 10 of 44 on image metadata gps. (0.21 seconds)

Automatic determination of image storage location

US Pat. 7009643 - Filed Mar 15, 2002 - Canon Kabushiki Kaisha

Image metadata is essentially non-picture information that is stored along with ... location information such as **GPS**-derived data, and audio annotations. ...

User-defined templates for automatic image naming

US Pat. 7039873 - Filed May 12, 2003 - FlashPoint Technology, Inc.

metadata 22 may be included within the files 16, or be stored in a separate ... produce unique value **GPS** = **GPS** data taken at the time of **image** capture Last ...

Comprehensive, multi-dimensional graphical user interface using picture metadata for navigating and retrieving pictures in a picture database

US Pat. 7020848 - Filed Dec 20, 2000 - Eastman Kodak Company

Using such an 45 and picture **metadata**; approach, a **GPS** receiver can be either ... in the quent **image** file will contain not only the raw **image** data, ...

Method for matching geographic information with recorded images

US Pat. 6904160 - Filed Jul 5, 2001 - Red Hen Systems, Inc.

This **GPS metadata** may be inserted in standard **image** file tags or maintained in a separate file associated (for example by name) with the **image** file ...

Embedded metadata engines in digital capture devices

US Pat. 6833865 - Filed Jul 29, 1999 - Virage, Inc.

2 may also include an external sensor 403, such as a **GPS** unit, which captures collateral **metadata** at a sample device 404 to be associated with the **image**, ...

Associating data with images in imaging systems

US Pat. 7010144 - Filed Jan 13, 2000 - Digimarc Corporation

In cases the **image**, where the **image metadata** is stored externally, ... **image** related data to the erais of the camera, such as a time clock, **GPS** device, ...

Method and apparatus for producing digital images with embedded image capture location icons

US Pat. 7007243 - Filed Dec 20, 2000 - Eastman Kodak Company

For example, if the **image** was captured in the United States of America, the icon 106.1 ... who receives or loads digital **image** files with **GPS metadata**. ...

Albuming method with automatic page layout

US Pat. 6636648 - Filed Jul 2, 1999 - Eastman Kodak Company

1.0, 1996] provide containers for **image metadata** such as capture date and time. ... Such additional **metadata** information includes **GPS** (global position) ...

Timeline-based graphical user interface for efficient image database browsing and retrieval

US Pat. 6950989 - Filed Dec 20, 2000 - Eastman Kodak Company
